

PRESS RELEASE

24 November 2016

SIGTTO APPOINTS DAVID FURNIVAL AS NEW PRESIDENT

Following a decision by the Board of Directors and members of the Society of International Gas Tanker and Terminal Operators (SIGTTO) at its Autumn 2016 meeting in Nagoya on 18 November, David Furnival of Bernhard Schulte Ship Management has been appointed as the Society's new President. At the same time Christopher Bailey of BP Shipping has been appointed Vice President. Furnival succeeds Luc Gillet of TOTAL who has stepped down after a three-year term as SIGTTO President.

"I would like to thank Luc Gillet for his service as the Society's President," states Andrew Clifton, SIGTTO General Manager. "During his tenure SIGTTO made very positive progress and fully enhanced its reputation as the industry body for liquefied gas shipping and terminals."

"I now look forward to working with David Furnival as the Society presses ahead with the implementation of its new 2016 Strategic Plan. The initiative is aimed at ensuring that SIGTTO meets the needs and expectations of its growing membership in what is a dynamic time for our industry."

"For my part I would like to thank the SIGTTO Directors and the members for their support," comments David Furnival. "I look forward to the years ahead during which I will be fully committed to promoting the activities of the Society for the benefit of the liquefied gas shipping industry."

Contact details

For further information about the new SIGTTO officers and details about membership of the Society please contact office@sigtto.org. Additional information about the Society of International Gas Tanker and Terminal Operators (SIGTTO) can be found on the Society's website: <http://www.sigtto.org>
